Dayton Bids A Fond Farewell To...
A CLASS ACT: ANNE ROMANO

Because it was you, Anne Romano, who through the years, gave to us your love and support, your guidance and understanding, your hope and knowledge, and most of all, your patience. Because it was you, Anne Romano, who led us down the hallowed halls of Dayton to the path of adulthood. Because it was you, Anne Romano, who bestowed upon us those most important qualities of high school life, we offer to you this recognition of our appreciation.

You have shown us, through your actions, through your roles as student, as teacher, and finally, as an administrator, the true meaning of class. You have enriched our lives through the past fifty years and made us better people.

Thus, in your last year of service, we, the class of 1990, dedicate to you, Anne Romano, our yearbook, "A Touch of Class."

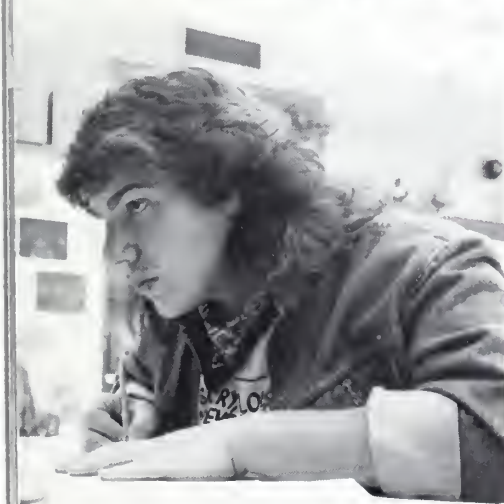

Roll Out The Red Carpet...

MRS. WICKLINE ARRIVES AT DAYTON

In just a short period of time, Dayton's new principal, Mrs. Judith Wickline, has made an extremely favorable impression on the whole Dayton Community. The students, faculty and community have been won over by her professional, friendly and honest attitudes on school life. Mrs. Wickline's meetings with all the classes was an effective way for her to meet the students and for the students to meet their new principal. Of course, everyone liked the refreshments, also! Good luck to Mrs. Wickline as Dayton's newest principal. May she be as happy at Dayton as Dayton is happy for her to be here.

CLUBS AND ACTIVITIES

Student Council Sets The Pace And...

“LIP SYNC” THE BULLDOG BEAT!

The 1990 Student Council, led by Jason Yee, President, Dale Torborg, Vice President, Jennifer Gardella, Secretary, and Josh Brinen, Treasurer, was composed of twenty five representatives and twenty five alternates. This year, the council sponsored Spirit Week, which included the annual Hall Decorating festivities and Pep Rally, spirit week's finale; with a prize awarded to the class with the most spirit at the pep rally and the best hallway, overall. As well, the council sponsored a Lip Sync/Senior Superlatives Dance where “Kiss,” (Dale Torborg, Dave Servello, Dan LaMorges, and Carlo Palumbo) made a guest appearance and walked off stage with first prize. The council officers enjoyed working with Dayton's new principal, Mrs. Judith Wickline, as well as keeping close relations with the PTSO for assistance with the sponsoring of more school activities. Finally, the council offers their gratitude to their advisor Mrs. Jean Cusumano for her assistance throughout the 1989-1990 school year.

Key Club, Through Practical Service, Exemplify the Motto "DEVELOP WITHIN, SHARE THROUGHOUT"

The Key Club is an international service organization for high school students. Uniquely different from other school organizations, The Key Club aims to aid in the development of initiative, leadership ability and good citizenship practices. This year, club members journeyed to the Newark Community Food Bank to help pack food for the homeless. Thirty-one members participated in the CROP Walk for Hunger. Another activity was the annual Leukemia Bowl-A-Thon. Leadership Training Conference at Great Adventure and the State Convention held in Pennsylvania kept the Key Club Members traveling. President Jodi Bromberg, Vice-President Beth Engert, Secretary Orin Roth and Treasurer Kathy McCabe aided Advisors Miss Duke, Mr. Fox and Mr. Van Hart in planning the year's activities. Congratulations to Tania Aizenberg on her election to the office of Lt. Governor of the District.

STUDENT JOURNALISTS ARE AHEAD OF THE TIMES AND ON TOP OF THE NEWS

The school paper, edited by Marc Penchansky, had a fine year. Despite total censorship by superiors the paper put out many fine articles. The school paper has given us many special features such as the end of the 80's survey and the ever-so popular college destination map. The editorial staff at the paper consists of Editor Mark Penchansky, Managing editor Josh Brinen, News editor Kathy McCabe, Editorial editor Mike Lippman, Features editor Joanna Labozzo; Sports editors Scott Wishna and Jessy Thomas, Photography editor Greg Baron, Art editor Matthew Gallaro, Business manager Steven Marcus, Ad editor Seth Eisen, and the faculty advisor Mrs. Marcia Kendler.

Yearbook Classes Layout, Design and Create

A YEARBOOK WITH A TOUCH OF CLASS

In thirty, forty and even fifty years from now, the Dayton students will still be looking, laughing and remembering their high school days as they pick up their treasured yearbook. Sports, clubs, activities and friends are captured forever by the dedicated students who have worked to create this lasting image of Dayton years. Taking pictures, selecting the pictures to be included, designing an effective layout so the readers will appreciate the pages and writing clever and witty captions and articles that will stand the test of time are the jobs of the staff. Also, the Regionologue would not be created without the work of Mr. Van Hart and the two business managers, Jason Yee and John Maxemchuck. Raising money and selling ads are a very important aspect of the job. "A Touch of Class" is certainly an appropriate theme for the Class of 1990!

FRENCH CLUB MEMBERS PROVE THEY ARE THE CREME DE LA CREME.

Advisors, officers and members of the French Club have made this year one of the best in the Club's history. Holiday parties, dances, trips, fund raisers and food, food, food were on the minds of club members. The officers were as follows: President, Michelle Weinberg; Vice-President, Mark Hrywna; Secretary, Kathy McCabe and Treasurer, Kim Poindexter. In December, the Club held their holiday meeting and the highlight that evening was a "Make your own Crepes" festival. Also, French Classes cooked and baked a typical French meal in celebration of Valentine's Day. The classes tasted Coquille St. Jacques, Quiche and Mousse au Chocolat. The Club also attended a performance of the hit Broadway musical "Les Miserables".

Viva Italiano. . .

ITALIAN CLUB DEVELOPS APPRECIATION OF ITALIAN CULTURE

The Italian language, culture, customs and interests are kept alive as members of the Italian Club plan their activities. Every month the club, advised by Mr. Felix Fabiano, meets to instill a love for all aspects of Italy. The officers: President Laura D'Anna, Vice-President Melissa Tortorello, Secretary Rosalie Boffa and Treasurers Michelle DiBella and Tony Podias, have helped Mr. Fabiano plan and organize fund raisers, cultural activities and cultural trips. A highlight of the club's work was the impressive hall decoration done in March to celebrate Foreign Language Month.

LATIN CLUB RULES THE DAYTON WORLD

The Latin Club, under the leadership of President Marc Penchansky, Vice-President David Hollister, Treasurer Dana Magee, Secretary Melissa Barrieros, and Advisor Mrs. Hedges, have worked hard in reviving the Classics at Dayton. The year began with a successful Halloween Party that featured Pictionary and Pin-the-Nose-on Nero. During Christmas, the club members each had "Secret Santas"; an event which culminated in a party where each Secret Santa revealed their identity. To keep the morale of the club high, a movie night was sponsored where they showed none other than the famed "Spartacus." In the spring, members participated in a Certamen and State Latin Convention, held in West Deptford, New Jersey. The Latin Club will end the year with its traditional dinner at Bennigans.

Spanish Club Members Agree. . .

“TODO EL MUNDO DEBE HABLAR ESPANOL”

As always, The Spanish Club had a productive, helpful and educational year. Sr. James Farrell and Sr. Frank Ortiz led the club and its officers in many worthwhile events. President Cathy Padden, Vice-President Dawn Ray and Secretary — Treasurers Lauren Meixner and Jennifer Gardella were involved in many activities during the second half of the year. The Club supported a child from Children International. This young girl from Columbia, South America has received both financial aid and friendship from club members. Also, the Club attempted a performance of “The Adventures of Don Quixote” at Town Hall in New York City. After the show, the students had a luncheon at the famous “Don Pepe’s” in Newark.

THE EXCITEMENT OF THE BUSINESS WORLD

Future Business Leaders of America is a club that helps young people to better understand the business world and how it operates. The club participates in different competitions, goes on trips, and has guest speakers. The stock market in New York City is the most popular trip that allows the students to feel the excitement of a trading floor.

Student Scholars Serve the School As. . .

NATIONAL HONOR SOCIETY DEDICATED TO KNOWLEDGE

The National Honor Society had a quiet but vital role in Jonathan Dayton this year. President Brenda Wolkstein, Vice President Lauren Meixner, Treasurer Stephen Fowler, Secretary David Schlosser and the rest of the crew of resident intellectuals participated in a tutoring service this year. It was set up by the Guidance Department and approved by sponsors Mrs. Mellon and Mrs. Kerr. Each member gave in his or her name and an academic subject he or she excelled in. All seven members participated, and helped the whole school community immeasurably.

WHICH WAY TO GO?

STUDENT AUXILIARY LEADS THE WAY

Need help finding a class or a teacher? The student auxiliary is there to help you find your way. They serve as ushers and guides at school functions such as Back to School Night and school plays. They are also hostesses for special events such as luncheons or the end of the year awards ceremony. This year they had a candy sale to raise money for the student auxiliary pins. Mrs. Billig is the director as well as a friend to this group.

The Excitement of Television Is A..

“CHALLENGE” FOR DAYTON TV STARS

Dayton entered its four member team once again in the TV-3 Challenge Tournament. The team consisted of seniors Scott Wishna and Josh Brinen, junior Margaret Redder and sophomore Steven Kleinman. The team defeated Mother Seton High School in the first round of the tournament, 405-120. However, in the second round the team unfortunately lost the match to Scotch Plains 470-555. Each show was aired three times by TV-3. The excitement of being on television was a new experience for everyone on the team. Next year, the team hopes to place higher in the tournament.

“RHYTHM IS GONNA’ GETCHA!”

The Dayton Vocal Music Department is composed of the Chorale, Dayton’s advanced choral group; the Concert Choir; and the Vocal Workshop, Dayton’s freshman singers. Throughout the year, the department performs seasonally. They hold autumn, mid-winter, spring, and “end of the year” concerts in Dayton’s Halsey Hall. The Chorale, Concert Choir, and Vocal Workshop also perform community services such as community caroling during the holiday seasons of December, an Alumni Messiah Concert, also held around the holidays, and visits to nursing homes where they brighten the shut-in lives of the elderly. In addition, the department makes visits to the Gaudineer and Deerfield Elementary schools and often performs combined concerts with these groups.

Ten Little Actors As "Ten Little Indians": **THE CURTAIN RISES**

"Ten little Indian boys going out to dine. . . one choked his little self, then there were nine. . ."

On Friday, December 1 as the lights slowly dimmed and the rustle of the audience died down, a masterpiece by Agatha Christie, "Ten Little Indians", was brought to life by Dayton students. After struggling through hours of rehearsal, memorizing lines, and hurried trips to Quick Chek for snacks between scenes, cast members and stage crew worked hard to bring about an exciting and suspenseful drama. Michelle Weinberg, the assistant director worked herself to the bone. She planned, organized, and substituted for absent cast members; it seemed her responsibilities lasted until the very end. Mr. Joseph Trinity, the director, is also worthy of an abundance of gratitude for not only working out characterizations and cues, but for keeping his temper on those bleak days where it seemed rehearsal would never end. Thanks to the optimism of cast and crew, and superior acting by all, the fall drama, "Ten Little Indians", was a successful event that will remain a dramatic memory for many in years to come.

DAYTON MUSICIANS PLAY UP A STORM!

The 1989-90 Dayton Pep Band, though dwindling in number played euphonious musical pieces that were very challenging. The music heard at the football games added much excitement to the games. The band worked diligently and recieved new uniforms and Dayton Band rugby shirts. The Band also has been fund raising continuously throughout the year to raise money for their trip to Wildwood.

The Concert Band kicked off the winter season with a combined concert with the Dayton Chorale group, playing challenging musical scores such as Phantom of the Opera and Auld Lang Syne as a tribute to Ms. Romano, our former principal. The band also played at a combined concert with David Brearley High School on March 29th. Pizza parties, exciting rehearsals, fund raising- The Band has all of them. Though they are small in number they are big at heart! Mrs. Horne conducted and guided The Band in a successful year.

DAYTON PERFORMERS CONQUER STAGE AND SCREEN

The Drama Club, under the direction of Mr. Joseph Trinity, expanded their creative endeavors this year. As usual, Drama Club Members participated in the two school productions; Agatha Christie's "Ten Little Indians" and the musical comedy "Little Mary Sunshine". Also, student actors Jeanne Minieri, Joshua Brinen, Jennifer Schaedel, Mark Feinsod, Jill Minella, Andrew Arnold and Mike Lippman filmed short segments for a family service program which was aired on TV 36. This year, Dayton's actors and actresses were stars of stage and screen!

Science Students Show Their Skills And **SCIENCE LEAGUE PLACES FIRST IN COMPETITIONS**

This year, the Jonathan Dayton Science League consisted of four teams: Earth Science, Biology I, Chemistry I and Physics I. The Teams competed four times this year; once each in January, February, March and April. During the competition, each member took a fifty minute multiple-choice test. The February test was held right here, at Dayton. During one competition, the 9th Grade Earth Science Team scored #1 in the District and Chris Treglio placed first among all test takers in the North Jersey District 17. The teams enthusiastic and helpful advisors are Mr. Ferrara for the Earth Science Team, Mr. Gula for Biology, Mr. Martino for Chemistry and Mrs. Shanahan for Physics. The Teams did very well and had a great time, too!

**CREATE THE MUSIC OF LANGUAGE IN
“MELOPOEIA”**

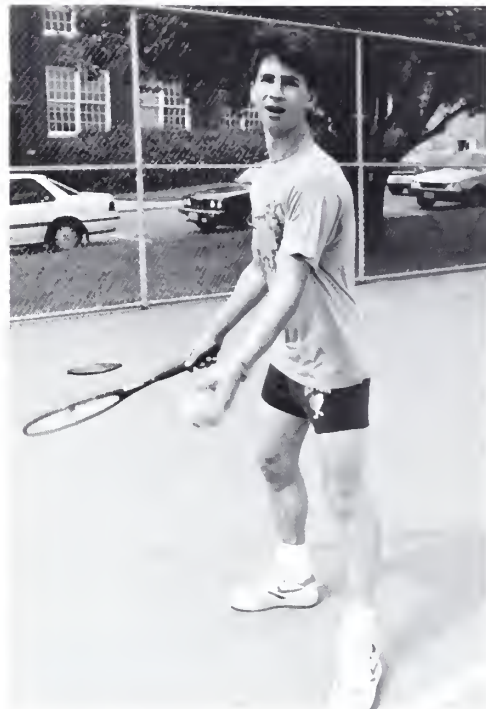

“Melopoeia” is Dayton’s literary magazine. What does “Melopoeia” mean? It is literally translated from Greek as “the Music of Language.” Under Mr. David’s supervision, students submit poems, short stories, and artwork. The staff meets after school to read and discuss what will be in the final publication. These students take on a great deal of responsibility in this project, and their hard work and dedication is admirable.

As we leave Dayton, let us turn our thoughts to those who take the task of shaping our lives. Teachers — They take time to teach us values, concepts, and facts. With them we can joke, and share our hopes, dreams, and aspirations. Teachers allay our greatest fears and transform them into the ambition needed to face the world. Although we can never repay the great debt owed to these dedicated professionals, we will always remember how much they have contributed to our lives.

MISS TOWNSEND VOTED TEACHER OF THE YEAR

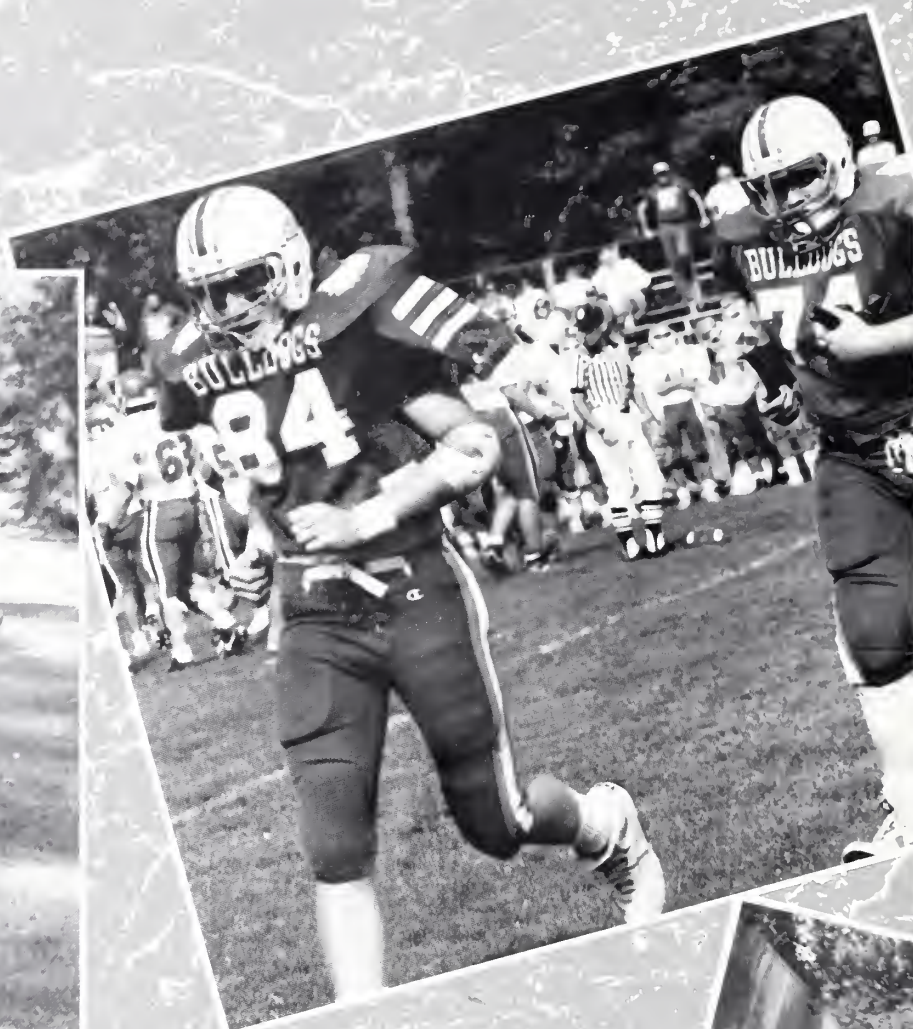

MISS TOWNSEND CHOSEN AS DAYTON'S OUTSTANDING TEACHER!

Congratulations to MISS RUTH TOWNSEND, Dayton's outstanding teacher for the 1989-1990 school year. According to school officials, MISS TOWNSEND was selected for her "use of effective instructional techniques and methods" as well as her "development of feelings of self-worth and love of learning in her students." MISS TOWNSEND is currently a teacher of physical education, driver education and health at Dayton.

According to MISS TOWNSEND, "In physical education, I try to expose my students to pleasant, fun methods of keeping fit and I try to make them realize that being in good physical shape will improve their lives in so many ways. Teaching family life in health classes presents a whole new set of challenges, so I try to meet them by providing my students with as much factual, useful information as possible."

For her participation in the Teacher Recognition Program, MISS TOWNSEND will receive a Certificate of Commendation from GOVERNOR FLORIO at a special convocation on excellence in teaching, to be held May 10 at Princeton University. The regional district will also be awarded a \$1,000 grant in MISS TOWNSEND's name to be used toward improving education programs at Dayton. MISS TOWNSEND will have the honor of deciding how the funds will be utilized.

SPORTS

The 89 "Dawgs" never say die as they . . . **ROCK THE HOUSE!**

The rain fell as the thermometer dropped below freezing for the first game of the season. The Dawgs tied Ridge 0-0 that day, eventually ending the year with a final record of 4-4-1. Although it may seem to be a disappointment in the shadow of last year's conference championship, the challenge is not always getting to the top but staying there.

On October 27th the lights went on as the Dawgs played the first home night game in the school's history. Unfortunately, the team suffered a disappointing loss against Immaculata, 16-0. However, the season's most satisfying moment was the 21-15 victory against Brearley Regional, who embarrassed the Dawgs in 1988. Led by co-captains Greg Graziano, Scott Adderty, and Billy Hart, these fine athletes did not relent under the adversity which faced them early in the year.

Dawgs Keep Spirit Alive With . . . SOCCER TEAM SPIRIT!

Starting the season with a television appearance against Johnson Regional proved to be a big morale booster for the boys' varsity soccer team. With senior Carlo Palumbo and Captain Chris Moreno on offense, the team was in good hands. Carlo leads the scoring for the team with 13 goals and 5 assists, while Chris has 7 goals and 11 assists. Jamie Schutz led the ruthless defense in goal, while Jason Yee, David Schlosser, and Brian Carson stopped their attackers on defense. The Dawgs progressed and improved throughout the season with the coaching of Joseph Cozza and Felix Fabiano.

GIRLS' SOCCER PLAYERS WORK TOGETHER WITH... SKILL, EFFORT AND DEDICATION

Coaches Krupp and Kovolisky combined skill and effort with spirit and dedication to form a Girls' Soccer Team that learned to work together. Captains Ann Marie Kovacs and Candice Mathews, and co-captains Cathy Padden and Lauren Meixner, led the team to an 8-11 record at the end of the season.

In the first round of the Union County Tournament against Roselle Catholic, our Dayton Team won 4-1, but in the second round against nationally ranked Westfield, we were defeated.

Graceful Girls' Gymnastics . . .

ALWAYS ON THE BEAM

Always exciting and interesting for spectators, girl's gymnastics supplies each member with the opportunity to display her graceful athletic abilities. The 1989 gymnastic team consisted of four sophmores and four freshmen, all of which were newcomers, with the exception of captains Dana Magee and Amy Prignano. Dana and Amy competed on floor exercise, balance beam, the vault, and uneven parallel bars. Sophomore, Inger Jackson's main event was the uneven parallel bars, while Angela Pasquarelli, another sophomore, competed on the vault. Freshmen, Debbie Netschert and Hillary Raj worked on floor exercises, the balance beam, and vault. Amanda Benninger sought victories on the uneven parallel bars and the floor exercise. Meanwhile, Lindsey Beasley was out with an injury and unable to participate this year. This year the team was not as strong as they would have liked, but as the girls better their abilities, the team will gain strength and bring to our school many more winning seasons.

By Winning Mountain Valley, County, and State Conferences . . . Girl's Tennis Team Makes a Grand Slam!

The Girl's Tennis Team had an extraordinary season. The team was led by captains Margo Demski, Colleen Drummond and Orin Roth. They were named Mountain-Valley Conference Champs, became the number two team seeded in Union County, and were ranked eighth in the state. First singles player Susan Taub again proved her winning style by placing first in the Union County Tournament. Second singles was played by Lisa Taub, who lived up to the Taub legend by playing an excellent season. Wendy Saladino who played third singles did well and shows much potential. First doubles was played by Orin Roth and Colleen Drummond. Margo Demski and Staci Messinger or Carolyn Merkin played second doubles and had a great season, even with the loss of Margo Demski halfway through the season, due to illness.

THE '89 CROSS COUNTRY TEAM RUNS FOR VICTORY WITH ANOTHER WINNING SEASON!

The 1989 Cross Country Team had another winning season. Coach Martin Taglienti's team finished with a 9 and 3 record. The Team placed third in the Conference Meet, with strong finishes by Keith Hagey and Sean McGrath. Other stand out members included Eric Rauschenberger, Grayson Murray, David Most, George Serio, Dante Puorro and Josh Kessler.

Boys' Indoor Track Proves To Be... "RIGHT ON TRACK"

Despite the boys 1-5 season, this year's importance to young teammates is unsurpassable. The 1989-90 Indoor Track team consists primarily of freshman and sophomores. Because of the young athletes, experience is vital and that was the main purpose of this year's season.

Leading the team in point scoring is Sean McGrath, a sophomore who placed 4th in the two-mile at the Conference Meet. Another strong sophomore runner is Brett Wilkins who earned a seventh place in the half-mile run. Joe Roughneen has shown great improvement in the 400m run along with Archie Guilas who runs the 60m hurdles. Anthony Palermo is a strong shot-put thrower. The team's second leading point scorer is Grayson Murray, the only senior who had traded from running to leading the team in shot-put and high jump. The outlook for next year's team is promising and they should have a strong winning season.

Top left: Sean, determined to maintain his commanding lead in the mile.

TO THE TOP... **DAYTON CHEERLEADERS CAN'T BE STOPPED!**

To the top, we can't be stopped, is the motto for the 1989 Varsity fall Cheerleaders. Together with Captain Kelly Hartman, Co-captains Lisa Capriglione and Marlo Tracy, the squad provided much spirit to Dayton's winning teams. This year's cheerleaders use their energy to decorate the football locker room, planned two very successful pep rallies and before the Turkey Day game, they decorated the football players' houses, and also created a night of fun at the Homecoming Dance. The rest of the Varsity Cheerleaders include Doreen Lucyk, Marla Rosenthal, Nanette Bruschi, Rachel Haine, Sally Kisch, Marie Colatruglio, Kristin McLear, Karen Venes, Aimee Spalteholz and Heather Smith.

Unity And Spirit Keep
**BOYS' BASKETBALL SHOOTING THE
HOOPS**

The Basketball Team, coached by Mr. Ray Yanchus, was led by senior co-captains Brandon Giordano and James Morrison both on and off the court. Although the 'dawks' record was not impressive, the team played with unity and kept their spirits high. One of the season's highlights was the victory over Johnson Regional in a double-overtime thriller. Due to a loss of many senior starters from last year, the varsity squad consisted of many underclassmen. Junior forward Joe Perez was a big asset to Dayton's outside shooting attack. Junior Jamie Shutz, a center forward, was the team's leading rebounder with an average of 10 rebounds per game. Andy Huber, a sophomore, who took care of the team's ball-handling, is a bright spot in Dayton's future. Juniors, David Cook, Craig Hauelsen, and Justin Petino were also valuable assets to the team. The future of the team looks very promising with upcoming players Ryan Huber, Terence Young, Jason Mullman, Ryan Feeley, Clayton Trivett, Courtney Benjamin and Brett Winter.

Top right: Look at their awesome talent!

Lady Bulldogs Shooting Hoops With The Best **LEAD TEAM TO THE STATE TOURNAMENT!**

The Girls' Basketball Team had a very competitive season, ending with a record of 10 and 14. The two leading scorers were forwards Lauren Meixner and Jen Francis, followed by Karen Kaminski and Colleen Drummond. Junior Sheri DeRonde started at point guard. Each girl did her part to bring the team to the state tournament for the first time in 4 years. Working with Jen, Lauren, and Colleen, Coach Krupp has enjoyed his successful year as head of the program. The talented team also included Dana Williams, Danielle Coddington, and Joy Pope. Joy, along with Sheri will lead the Lady Bulldogs next year.

Achieving A Conference Championship . . . **DAYTON WRESTLERS PIN**

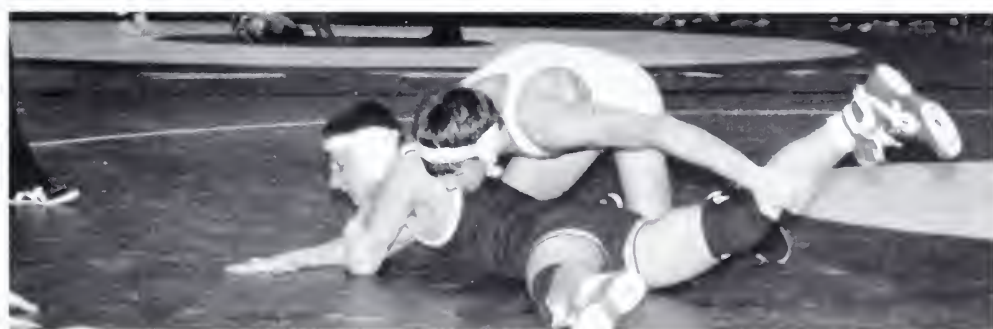

The 1989-90 Bulldog Wrestling Team finished it's regular season with an impressive 11-1 record. One of the team accomplishments included the first Mountain Valley Conference Championship and qualifying for the Team State Championship. The Dawgs defeated the 1989 Group II State Champions, Rahway, in the section semifinal but lost to Caldwell in the finals. Dayton also finished second in the Sparta Invitational, third in Union County, third in District X and won the John F. Kennedy Tournament. Individual accomplishments included Sparta Tournament Champions Jason Yee (120), Chris Moreno (130) and Pete Carpenter (125). At the Kennedy Tournament, The Dawgs came home with six champions, Dante Puorro (103), Jason Yee (120), Chris Moreno (130), John Maxemchuk (135), Brian Delaney (140) and Scott Adderty (Hwt). The Union County Champions were Dante Puorro and Scot Adderty. Pete Carpenter finished 3rd and Chris Moreno was a runner-up.

Chris Moreno won the District X Tournament while Dante Puorro, Pete Carpenter, Mike Masi and Scott Adderty all placed second. Two of Dayton's wrestlers qualified for the State Tournament: Dane Puorro and Chris Moreno. Other senior placewinners that contributed a great deal to this outstanding season were Dan Murphy, Mike Montanari, Mike Price, Kevin Delaney and Steve Adirim. Mike Price and Mike Montanari were extremely consistent in upper weights. Special praise is in order for Coach Iacono. Our popular wrestling coach was selected as the Union County, District X and Region III Coach of the Year! Next year's team will try to continue the tradition this outstanding team exhibited.

Dayton Swimmers Dive Right In... **A LAP AHEAD OF THE REST**

The 1989-1990 Dayton Swim Team showed that they could swim with the best of them right from the start of the season. Although their final team record of 7-9 was not as good as last year's, they certainly showed that the amount of talent increased.

The team captured fifth place in the Union County meet, the best finish ever for the swim team. Outstanding performances included Freshman Marty Visitacion's two fifth place finishes in the 200 Individual Medley and 100 Backstroke, Freshman Laura Leyrer's fourth place performance, and Captain Stephen Fowler's seventh place finish in the 100 Butterfly and ninth place finish in the 100 Breaststroke. Freshman Jay Geraghty placed third in the diving competition. But the highlight of the year was Stephen Fowler's record-breaking performance in the 100 Breaststroke.

The wonderful WINTER CHEERLEADING SQUAD (B-F & L-R) Michele Berman, Sooji Lee, Chrissie Hilliard, Heather Smith, Ann Marie Kovacs, Aimee Spalteholz, Marie Colatruglio, Kristin McLearn, Tina Varcarolis, Sally Kisch, and Marla Rosenthal. This year's squad, led by captain Sally Kisch and co-captain Marla Rosenthal, was blessed with some fresh faces. These girls, along with the old ones of course, helped make the squad exciting! The cheerleaders organized the first dance, had an oompaloompa party, used some new cheers, and all in all had a fabulous season! Thanks to Mrs. Verschuren, Miss Rosania and Miss Campbell the squad was a great success!

Girls' Indoor Track, With Fine Performances
RACE AROUND THE HALLWAYS TO VICTORY

The Girls' Indoor Track Team sprinted to some superior performances for the '89-90 season. They finished with a 3-4 conference record and had some excellent finishes in the conference meet. Joyce Quinzal finished with a strong sixth in the 3200m. Mary Hrywna finished with a seventh in the 800m and she was the leading point scorer for the team. Coach Bryne has a hopeful insight on freshman Mandy Oberhauser who placed third in the shot put, won the county novice meet and placed eighth in the group 2 state section meet. The team also had strong performances by Liv Wallin and Lydia Lake.

GIRLS' CROSS COUNTRY RUN TO... HONORS IN THE MOUNTAIN VALLEY CONFERENCE

The Girls' Cross Country Team had a fairly successful season. The Dayton girls finished the season with a 3-4 dual meet season. They earned honors in the Mountain Division Conference race with a second place finish. Senior Captain Erin Poindexter had her most consistent season in this 1989 season. Three juniors runners who had previously lettered were the leading runners on the team. Mary Hrywna, Jennifer Lack and Joyce Quinzal were the top scorers on the team. Mary Hrywna and Joyce Quinzal earned 2nd place All Conference Honors this season. Newcomers, Junior

Joanna Lobozza and Freshman Lydia Lake were runners who scored points and were on the top five runners from Dayton. Sophomore Alexis Estevez, Freshman Robin Lack and Danielle Oliver as first year runners contributed to the team.

With Many Returning Players. . .
**BASEBALL TEAM REACHES FULL
POTENTIAL**

After a disappointing 1989 season in which coach Rick Iacono had high expectations for the playoffs and beyond, the 1990 squad, with many returning stars, will finally reach their potential. With a proven, experienced line up, anchored by Dan LaMorges, Greg Graziano, Jim Morrison, and Dale Torborg, there will be no lack of run support for an already potent pitching staff. Three year starter, Billy Hart is tough and Matt Gallaro gives the Dawgs good innings. The sophmores, led by Andy Huber, will also help in the drive for a winning season. With a good mesh of talent, these Dawgs are a force with which to reckon.

GIRLS SOFTBALL SWING INTO THE SEASON ... WITH A BLEND OF YOUTH AND EXPERIENCE

The 1989-90 Varsity Softball Team has a blend of youth and experience. Senior Co-captain Lauren Meixner is a premier hitter as well as a capable outfielder. Jodi Bromberg is an excellent catcher and has improved offensively this year. Senior Dawn Ray, improving at the plate has become a leader on the field while Jennifer Beck starred at third base.

Juniors Sally Kisch and Sherri DeRonde have made significant strides from last season.

Pitching is the name of the game and Dayton is vastly improved from the 1988-89 season.

Competition for 5 or 6 starting positions helped the team to greater heights this year.

With improved pitching, the stability given by some upperclassman women and a few pleasant surprises from the underclass women, Dayton has become competitive in a very strong Softball Conference.

Striding Around The Track. . . **BOYS "SPRING" INTO ACTION**

Running, jumping, and throwing: The members of The Boys' Track Team occupies their time these three ways. The track team is coached by Mr. Cozza, Mr. Byrne, Mr. Taglienti and assistant coach Mr. Ortiz. As always, the track team works hard for a good season with strengths in all areas. The team will be suffering losses of last year's graduating seniors but is hopeful about the upcoming freshmen. The track team is anxious to "spring" into a successful season!

With One Of Their Most Difficult Seasons. . .
**VOLLEYBALL TEAM DISPLAYS
DETERMINATION AND TECHNIQUE**

The 1990-91 Dayton Volleyball Team faced one of its toughest seasons with games played numbering well over twenty. The Team's schedule included two tournaments, one of which was the Dayton Invitational hosted by none other than our Lady Bulldogs. Under the supervision of Coach Steve Fenton, the Lady Dogs have improved in skill techniques and in the determination Dayton prides in its students. Returning players include Helene Nathan, Irene Rudakov, Irene Waslyk, Brenda Wolkstein, Chrissie Hilliard, Erin Poindexter, Jennifer Fenton, Jeannie Spagnolo, Libera DeGirolamo, Elysa Amkreutz, Bridget Maher and Dana Foster.

The 1990 Volleyball Team displays their fine form.

As They Tee Up At Baltusrol . . .

DAYTON GOLFERS YELL FORE!

"Don't screw up you DIP DOO!" bellows Coach Yanchus. These words often echo through the beautiful world-class golf course at Baltusrol. Consisting of upperclassmen, Jeff Chait and Scott Byrd, along with underclassmen, Chad Oberhauser, Bob Johnson, Ryan Feeley, John Rau, Steve Klienman, and Brett Winters, the team is full of fun and excitement. Although small in size, this group of athletes manages to hold their own and enjoy their time out in the sun.

Returning Tennis Lettermen Become **A SMASH HIT ON THE COURT**

This year's Boys' Tennis Team has had an interesting and exciting season. The team is under the supervision of a new coach, Mr. Drury. The team's only returning lettermen are Eric Rauschenberger, who serves as the team's captain and Mike Shapiro who takes on second singles duties. Although all the remaining letter winners from last year's team did not return because of graduation, the team had high hopes for the freshmen who joined the team this year. Coach Drury and his bulldogs had high expectations for the team, those most important being improving each player's level and trying to have a fun and enjoyable season.

As the freshmen entered the school they began a new epoch in their lives. No longer at home in their surroundings, these underclassmen were thrown into the unknown. They had to make new friends and face new challenges. Yet these adolescents came through with flying colors. Taking second place in the Hall-Decorating Contest was the first of many successes. At the beginning of a long journey down life's path, the freshmen are proving to be a class act in themselves.

Elegance at Sweet Sixteens — This is just one fond memory of Sophomore Year. The social walls finally crumble and new friends are made. Whether preparing the “Haunted Hall” or fundraising, the grade unites as they begin to prepare for next year’s prom. Excitement builds as the sophomores “go cruisin” with mom, dad, and their permits. Filled with finesse, the juniors sit at their prom table, reminiscing about the year gone past.

"Remember when we first walked into physics?" "And our Hall Decorating Theme — *The Wizard of Oz?*"

"Don't forget about PSATs!"

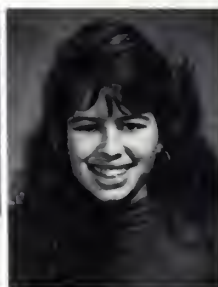

"AAUUGH!!!!" the general chorus resounds.

With parents and teachers continually reiterating "Junior year is the most important," the ten months often seem eternal. Yet junior year is full of distractions that somehow lighten the load. Between driving around town and fund-raising for the class, studying doesn't seem so bad. And then there's the prom . . .

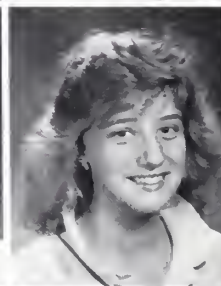

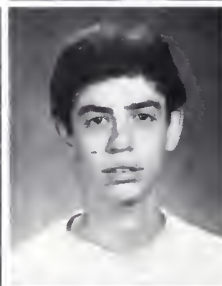

"Would you like to dance?"

Students Mingle, Meet and Eat . . . **“AT THE CAF”**

Lunchtime is a time to relax and enjoy the company of friends during a hectic school day. Laughter, friendly teasing and earnest discussion prevail among student talk. Students can either bring a lunch from home or purchase one from the cafeteria food service. Either way, your stomach gets filled.

Teachers stand at doorways, acting as fascist prison guards, allowing no one to leave. Mr. Periera stands as an omnipotent watcher, silent in his vigil. Anyway, Bon Appetite!

HALLOWEEN "1989"

The spirit of the school year was in full force on October 31, as many students dressed for the occasion. The originality of our students was most impressive. Jail birds, punks, war fighters, nerds, even Roger Rabbit, were just a few of the great costumes worn. It was a chance to let our hair down and go on the wild side, diverting from the "mature and sophisticated" high school student. Despite the rain outside which prevented most from trick-or-treating, we overcame this problem by dressing up and changing our ordinary everyday routines. Halloween 1989 was a great success at Dayton!

*Contemporary Living Classes
Prepare Students For...*

THE FACTS OF LIFE

The Contemporary Living Courses taught by Mrs. Frese, help the girls to learn how to deal with family life and marriage. It gives the girls a chance to fully understand the family atmosphere by having to bring in a child for a day. A mock wedding is performed at the end of the year. This teaches them how to prepare for an actual wedding. The mock wedding is also ended with a reception which brings people together in a warm friendly atmosphere. The girls also gained experience towards child rearing when for a week, they carried around "pumpkin babies". These pumpkins were decorated and shown much love. Most survived but some were abducted and abused by the immature senior boys. Overall, the girls enjoyed a memorable experience in the contemporary living class.

DAYTON HALLS TRANSFORMED BY DECORATIONS!

In a matter of two hours Dayton was transformed into The Wizard of Oz, a Haunted House, a Scene from the 1950's and a trip down Memory Lane all in one. No, this was not major reconstruction, it was HALL DECORATING! Groups from every grade were busily working to develop their theme in one hundred feet of space. Imaginations ran wild as the different structures were developed and put into place. Weeks of preparation went into this fight for creative supremacy. The Class of 1990 became three time champions as they once again displayed their artistic dominance. Many students were swept up in the fervor of this school spirited event and it proved to be a fun time for all.

SENIOR PROM PARTY AT DWIGHTS

You've got a great future to look forward to. Guard it.

Now that you're graduating from high school, how'd you like to make \$18,000 for college? You can earn that much, maybe more, with a part-time job in your hometown Army National Guard.

Give the Guard two days a month and two weeks a year. And you'll earn \$11,000 or more in monthly paychecks. Plus up to \$5,000 for tuition and books under the New GI Bill. And a cash bonus of up to \$2,000.

All this for making your country and community a safer place to live.

For details, call your local Army Guard recruiter. And find out how you can join Americans at their best.

BEST WISHES

VALERIE
and

GOOD LUCK IN THE FUTURE!

Though you may move a thousand miles,
And leave us behind.
You are most important to us,
And are always on our minds
If you find yourself alone
And it seems no one cares,
Remember us Valerie,
We'll always be there.

A dense collage of text and three photographs of a woman. The name 'LAURIE' is written vertically in large, bold, black letters across the center. The text is a mix of phrases, names, and sentences, some of which are repeated or modified. The photographs show the woman in different poses and outfits. The overall style is a busy, chaotic mix of visual elements.
